

Web Databases: Sharing information on cross compliance implementation

Agriculture Unit, JRC Ispra

Up to now

Web GAEC DB set-up

Make the information more accessible

Make it more profitable

Facilitate exchange of information

All the content of the Excel DG AGRI DB

Issues

Standards

National legislation reference

Possibility to have 'Regional' level

Member States' contact point

Search facility (key words, issue, standard)

Requests sent to MS for:

A person in charge of uploading and checking information

A person for critics and comments on the practical use of DB during its development

All MS provided contact names except IT

67 contact points and user accounts for MS

3 accounts for DG AGRI

JRC received from DG AGRI all documents related to 2007 GAECs notification (art. 146)

One database for each MS, except BE (Flanders, Wallonia)

but for some MSs, countries/regions implementation already designed:

UK: England, Wales, Scotland, Northern Ireland

PT: mainland, Azores, Madeira

F: mainland, Guadeloupe, Martinique, Guyane, Reunion

For all MSs, opportunity to introduce regional requirements

Demo

Person(s) in charge in Member States

When and how to provide information

Yearly → Art. 146

Permanent → errors, clarification

Email, predefined forms

Official notification to EC via Internet (Digital form to fill)

Language(s) to use

Historical follow-up of content

Date of modification

Name of the person who made the modification

Description of the Control points

What is checked for each requirement

Description of the reduction system

Sanction rules (severity, extent, permanence and repetition)

reduction rates (negligence, repeated, intentional)

‘De minimis’ rules

Content of control report

Content? JRC questionnaire on FAS implementation

Legal provision for the implementation of FAS

FAS coordinating authority

Official person in charge of FAS

Authority that certifies FAS operating bodies

Authority that supervises FAS operating bodies

Authority that controls FAS operating bodies

Accredited operating bodies

Accreditation procedure for FAS operating bodies

Minimum selection criteria for bodies accredited

Training system for FAS operating bodies

Targeted farmer population

FAS funding

FAS advisory tools

...

Interest for a **Permanent Pasture** Web DB?

Content? Study on Permanent Pasture

Legal provision

Coordinating authority

Official person in charge of Permanent Pasture ratio follow-up

Calculation of Permanent Pasture Ratio

Area declared as permanent pastures

Area declared as agricultural land

Official permanent pasture value

Geographic level of maintenance of permanent pasture

...

Access to the database

- Free

- Restricted with login and password

- Partly free (official GAEC list)

- Partly restricted (non official information)

Search facilities

- Keywords

 - help on keywords (Pasture, grassland, prairie ...)

 - Advance search (Unused land ...)

- Issue - standard

Other tools

- Display modifications between 2 years

- Export of search results (Word document ...)

Produce report and overview of EU27 cross compliance

Source of information for studies and research activities
