CwRS technical missions planned

- RO, BG: new to CwRS, no feedback
- SI: 2007 = 1st CwRS campaign
- PT: no information
- PL: new team, last mission 2004
- GR: SPS implementation & CwRS
- DE (Gaf): not visited since 99?, need to understand request for HR imagery
- CZ?: no QC visit

Planning for 2009 image allocation

Ask for MS requests for imagery in July (a bit early as increase of OTSC sample not yet decided)

-> image budget per MS (quota) from JRC model

Negotiation JRC – MS (allocation of quota not used)

If need for more budget -> negotiation MS - AGRI
