

# Collecting data for analysis

## Feature catalogue and questionnaire

Geoinformation management  
Agriculture Unit  
Institute for Protection and Security of the Citizen  
Joint Research Centre of the European Commission

## Feature Catalogue

AT, DK, LU, SE, ES

- based on ISO standard
- contains description of data layers only
- fully describes data structure/attributes

## Questionnaire

BE-FL, CZ, DE-NRW, EE, FR, IT,  
LT, MT, NL, PL, SE, SL,  
**DK, LV, CY, PT, RO**

- data + processes
- comparable information
- more general/less details
- subjective

# Questionnaire

|  |                           |
|--|---------------------------|
| <b>1. General information</b>                    | <b>(3)</b>                |
| <b>2. OBJECTS REPRESENTATION AND DATA LAYERS</b> |                           |
| LPIS core data                                   | <b>13</b>                 |
| LPIS-GIS data                                    | <b>7</b>                  |
| <b>3. LPIS UPDATE /Quality issue</b>             | <b>14</b>                 |
|  | <b>Total 35 questions</b> |

## LPIS, Reference parcel

|               |   | IACS -AgriP, 100 | IACS -AgriP, control |
|---------------|---|------------------|----------------------|
| AgrParcel     | 1 | 1                |                      |
| AgrParcel+FrB | 2 | 2                |                      |
| FarmBlock     | 3 |                  | 1                    |
| PhysBlock+FrB | 1 |                  | 1                    |
| PhysBlock     | 4 |                  | 3                    |
| CadParcel     | 2 |                  |                      |
|               |   |                  | 8                    |

## Defining eligibility

|               | only agric.land | 100% cover | art44. full | art.44. 2 |  |
|---------------|-----------------|------------|-------------|-----------|--|
| AgrParcel     | 1               |            | 1           |           |  |
| AgrParcel+FrB | 2               |            | 2           |           |  |
| FarmBlock     | 3               |            | 3           |           |  |
| PhysBlock+FrB | 1               |            |             | 1         |  |
| PhysBlock     | 2               | 2          | 3           | 1         |  |
| CadParcel     |                 | 1          | 1           |           |  |
|               |                 |            |             |           |  |

## Defining eligible land

|               | one layer | 2 layers | more layers | exclusions |  |
|---------------|-----------|----------|-------------|------------|--|
| AgrParcel     |           |          | 1           | 1          |  |
| AgrParcel+FrB | 1         |          | 1           | 1          |  |
| FarmBlock     | 2         | 1        |             | 1          |  |
| PhysBlock+FrB | 1         |          |             |            |  |
| PhysBlock     | 3         |          | 1           |            |  |
| CadParcel     |           | 1        | 1           |            |  |
|               | 7         |          |             |            |  |
