

# Image return 2007

- Status of 2007 Image return– 24 Member States – 28 contractors.
  - 24 contractors have returned imagery
    - BG, LV, PT, SE missing
  - 18/24 contractors entered an image return in LIODOTNET
  - Archiving source imagery is on-going
    - Contractors will be contacted if any problems encountered during archiving

- General problems:
  - Imagery returned in .zip files
  - HR/VHR imagery and source/ortho on the same DVD
- Manual is being updated
- FTP harvest of source data ongoing in experimental status
  - Contractors will be notified IF source data does not need to be returned
  - Validation and IDQAs by contractors are still needed!
